

Fitter/plant mechanic (m/f/d) for refrigeration, air conditioning and heat pumps (m/f/d) (ID: CC-HWT_013)

The employer is a specialized company in the field of refrigeration, air conditioning and automation technology. In this field he offers planning, installation and service. The company is headquartered in Günzburg, Bavaria. In total there are about 30 employees. The small town of Günzburg is located between Ulm and Augsburg. A great environment with best leisure time facilities, also for families.

He is looking for a fitter / plant mechanic (m/f/d) for refrigeration, air conditioning and heat pumps immediately or later.

Your tasks:

- delivery and assembly of refrigeration / air conditioning systems and heat pumps according to specifications.
 - o pre-assembly of the individual plant components in the workshop
 - o final assembly of the plants at the customer
 - o assembly of mechanical, electronic and electrotechnical components
 - o laying pipes, insulation and insulating work
 - o carrying out the associated electrical work

Your profile:

- ideally experience in heating or piping construction
- manual skills (motivated craftsmen (m/f/d), will be trained thoroughly)
- customer-friendly appearance
- enjoy working together with colleagues
- driving license class B mandatory
- german language skills at minimum level A2

Conditions:

- unlimited employment in full time
- payment from 12 €/hour (performance-related payment, annual bonus, company pension insurance)
- core working hours 08-17h, deviations possible
- overtime account
- usually no weekend work, Saturday work may occur as an exception
- no shift work
- 30 vacation days (free arrangement according to agreement, company vacation from 24.12.-06.01.)
- company cell phone (within the scope of the contract also for private use)
- assembly vehicle for the journeys from home to the company and then on to the workplace (no private use)
- development prospects

Place of work:

- predominantly in the Ulm-Günzburg-Augsburg area
- assembly with overnight stays away from home only in exceptional cases

Information for applicants from abroad:

The employer is helpful with the journey and also supports the search for a suitable apartment. The motivation to learn German well and quickly is very important to the employer. He takes care of language courses. These must be attended outside working hours. Some course providers are available in the region.
